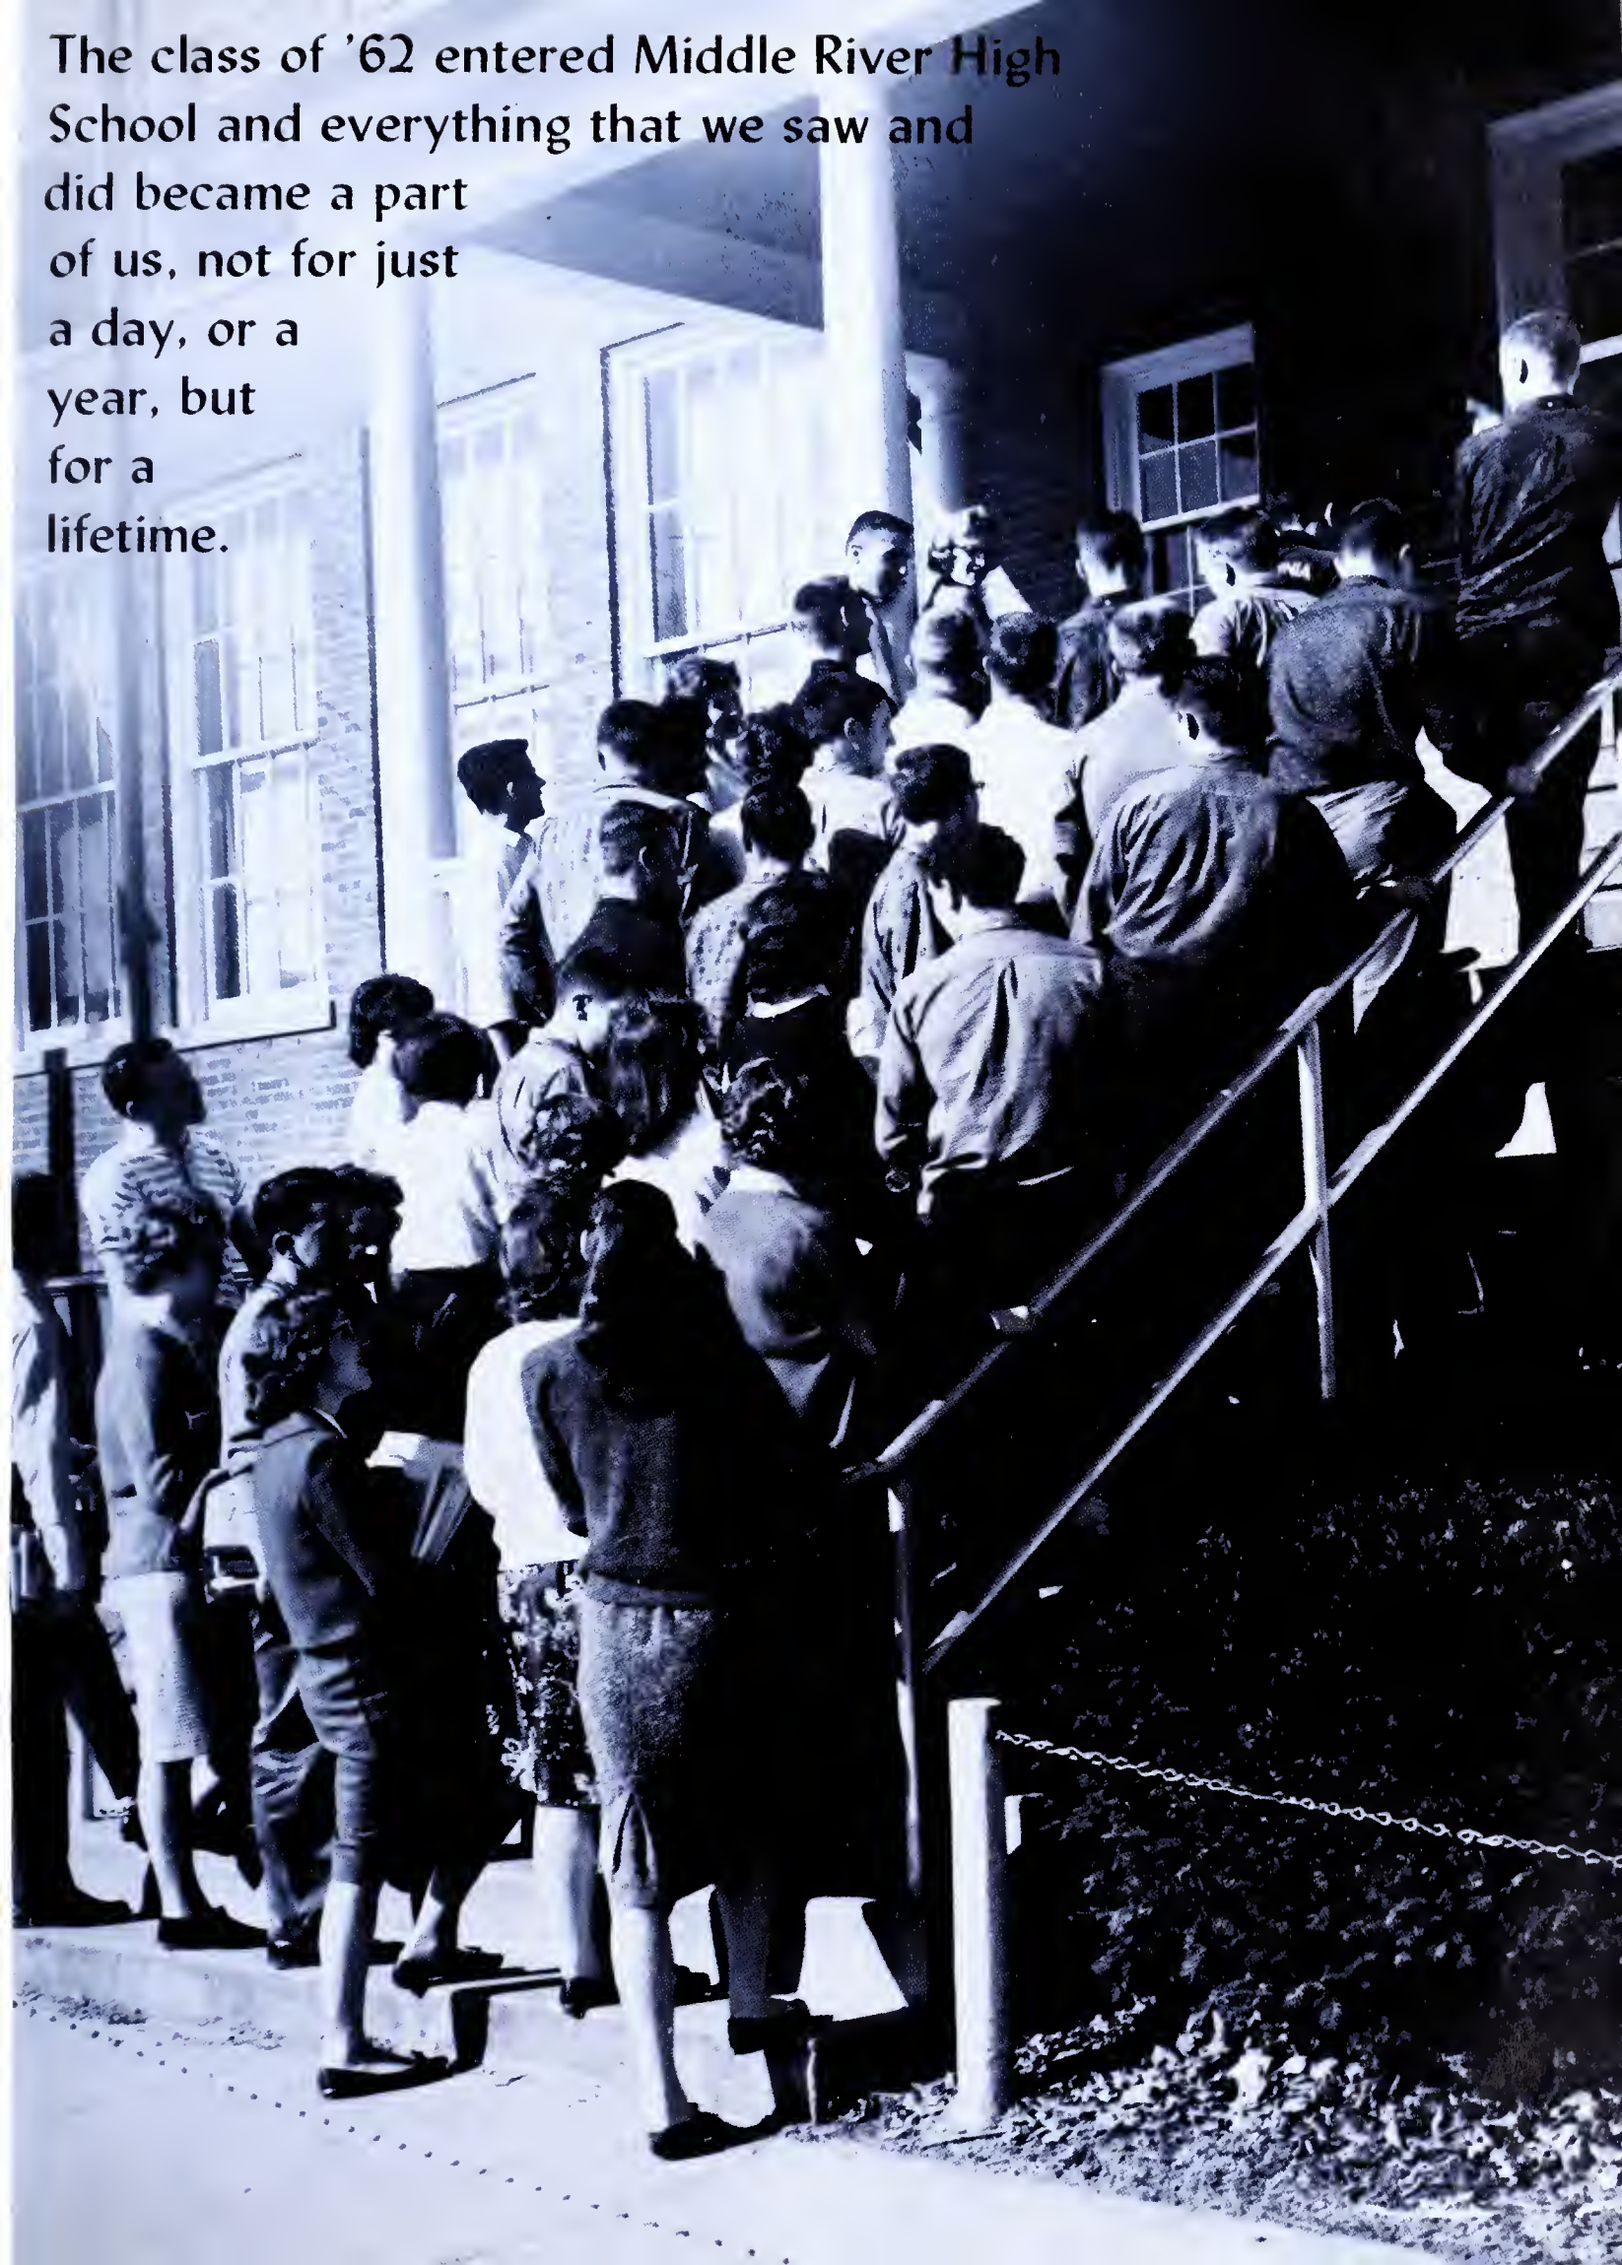
The class of '62 entered Middle River High School and everything that we saw and did became a part of us, not for just a day, or a year, but for a lifetime.



The mountains and hills: they became
a part of us, giving strength and inspiration . . .

The Rivers and Valleys: they also became a part of us, beckoning us to reach on to greater heights . . .

The sunrises and sunsets resplendent with God's glorious colors, became a part of us to be treasured forever . . .

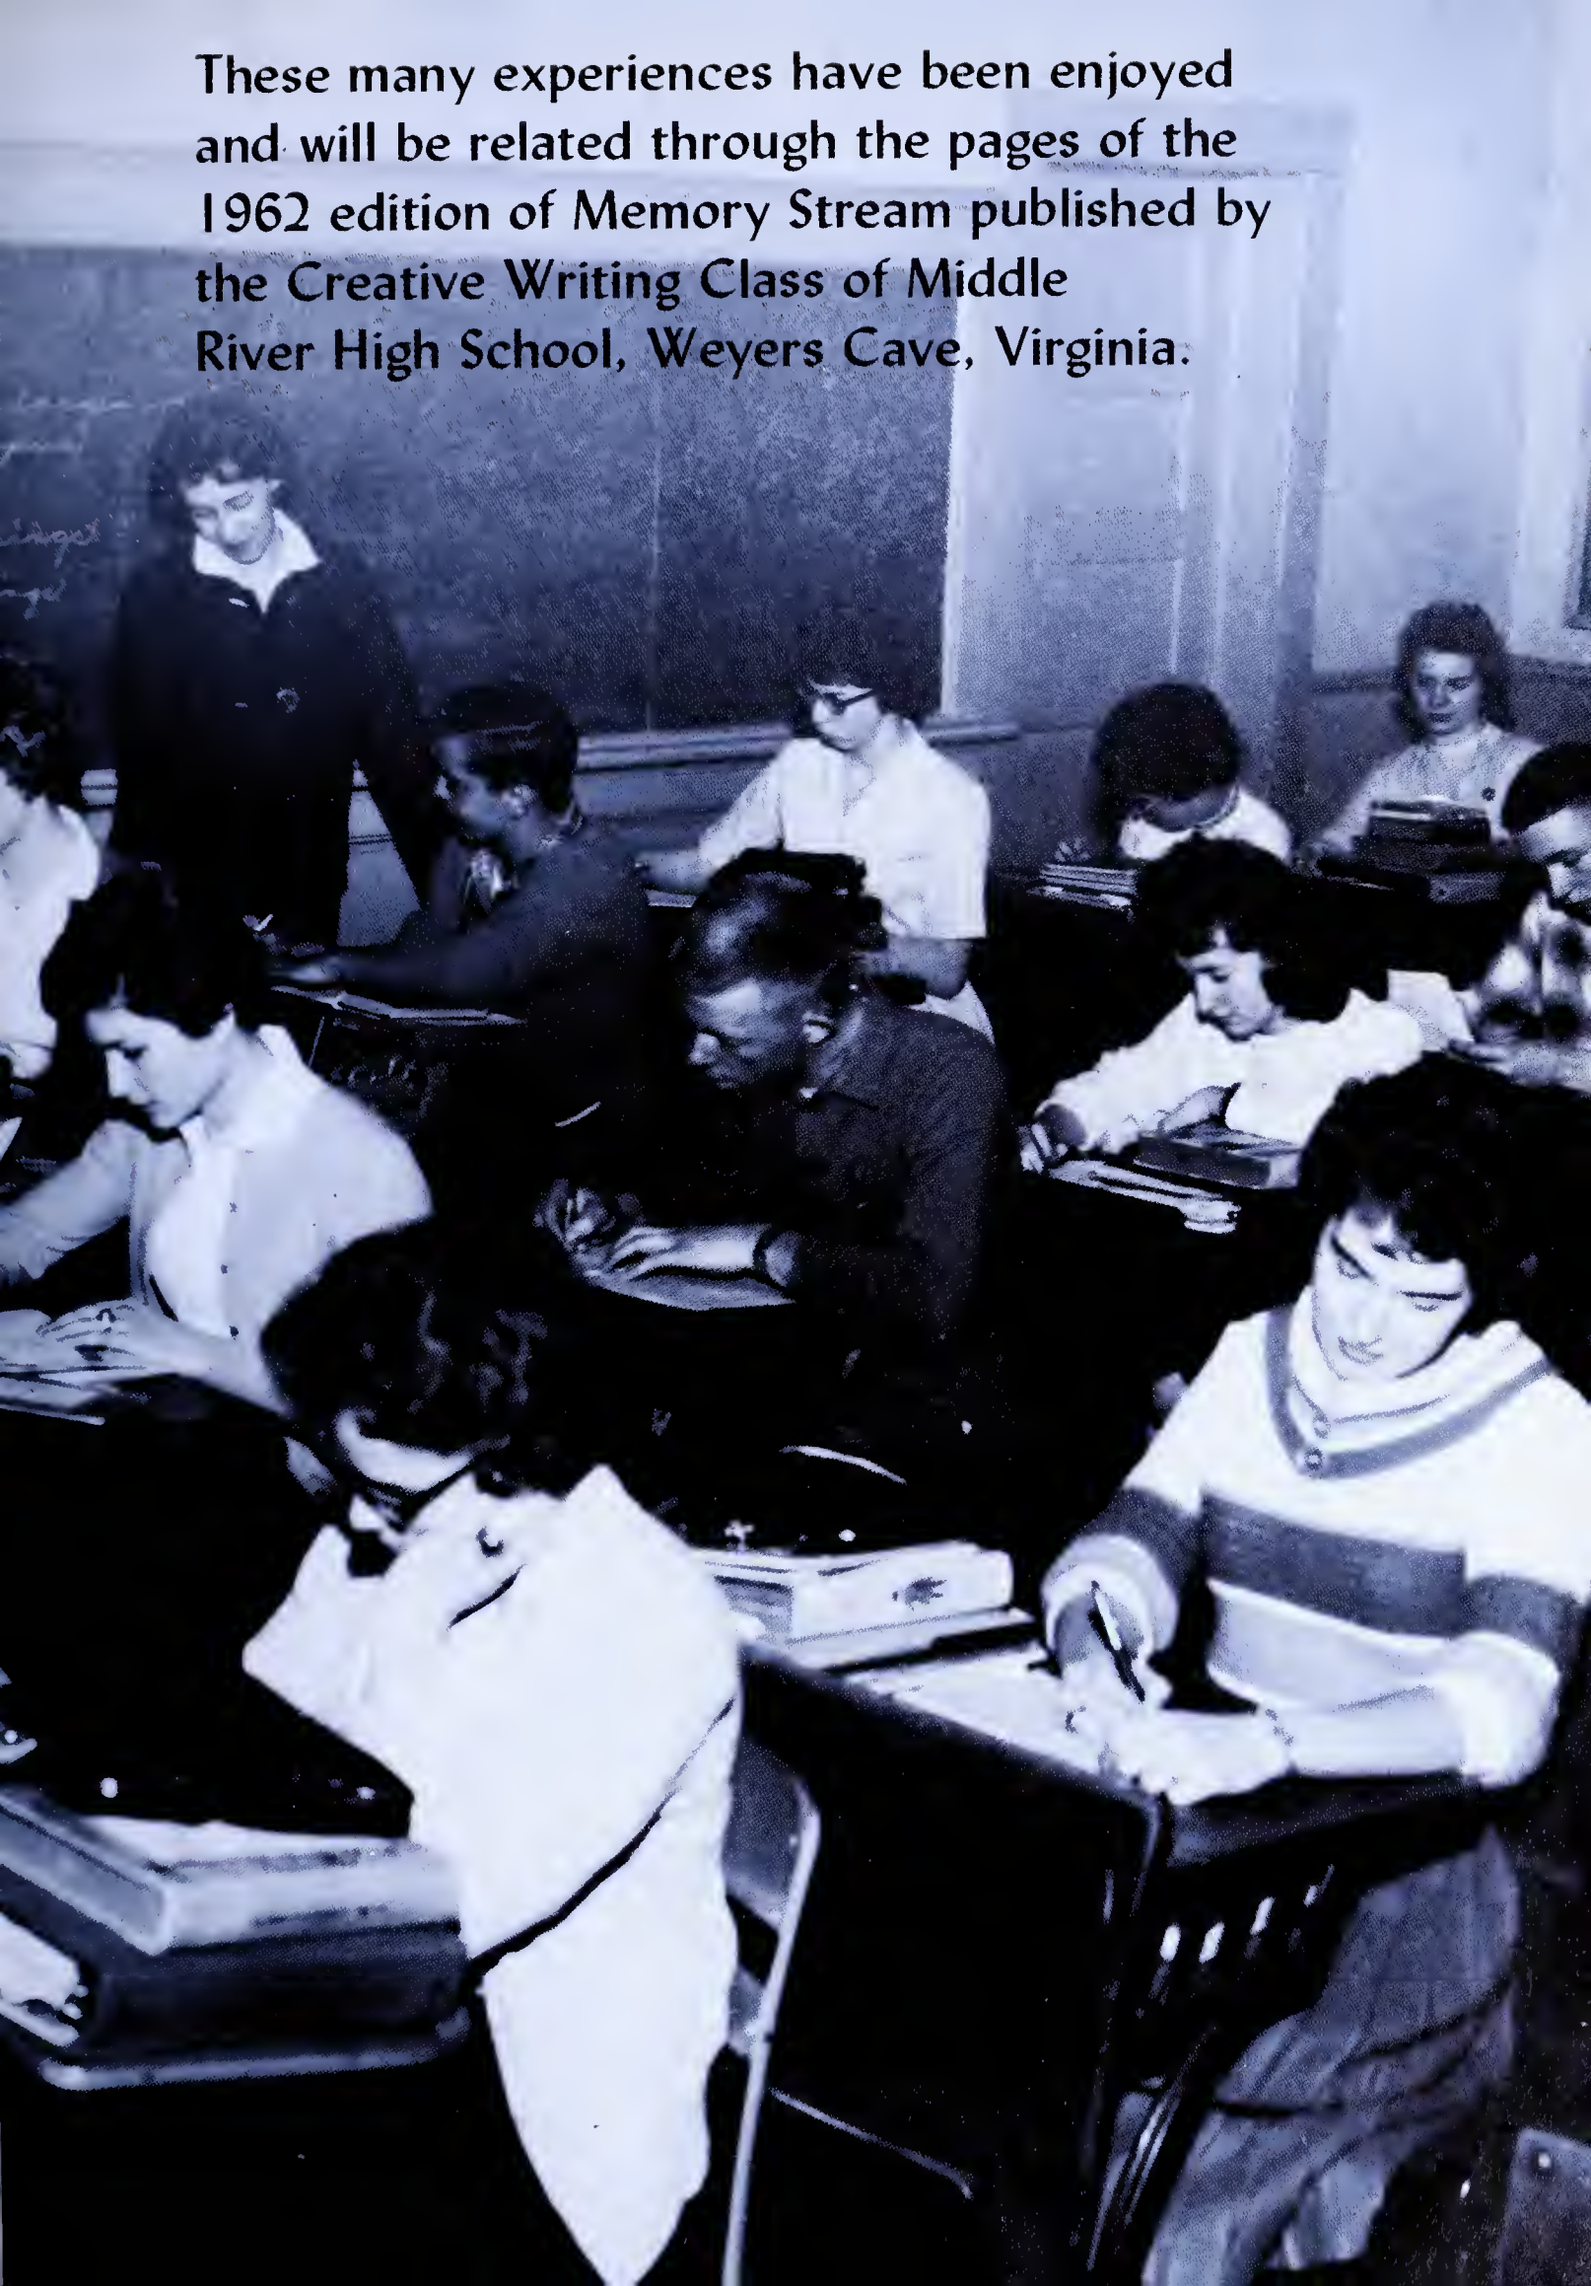
Everyone we met became a part of us;
the faculty and students played an
essential part in shaping our personalities . .

Thru civic studies and activities, we have prepared for our duties as world-minded citizens . . .

Books and research became a vital part of us as we spent much time in preparation for the future . . .

Sports enabled us to build strong bodies and to develop character by practicing good sportsmanship . . .

These many experiences have been enjoyed and will be related through the pages of the 1962 edition of Memory Stream published by the Creative Writing Class of Middle River High School, Weyers Cave, Virginia.



DEDICATION

We, the annual staff, dedicate to Mrs. Charlotte Freeman, this last issue of Memory Stream.

We would like to express gratitude for the guidance, earnest work, and time she has for ten years so graciously devoted to the annual.

Mrs. Freeman has continuously stimulated ideas that have proven valuable in composition. She has been a real friend to each of us and warm memories of her will always live in our hearts.

Mrs. Freeman received her B. M. E. degree from Shenandoah Conservatory, studied voice and violin at the University of Georgia, and has taken graduate courses at Madison College. She served as Minister of Music at Moffett Memorial Baptist Church for two years, was head of the Music Department at Truett-McConnell Junior College, Cleveland, Georgia, for five years and has been teaching with Augusta County Schools for the past ten years.

IN APPRECIATION

We, the last graduating class of Middle River High School, wish to express our sincere thanks to you Mrs. Driver, Mrs. Alexander, and Mrs. Waybright for all the help, consideration, and co-operation you have shown us through our years at Middle River High School. Your leadership, loyalty, and sincere interest have been good examples for us to follow in years to come.

IN APPRECIATION

MRS. ALEXANDER

MRS. DRIVER

Through your leadership and guidance M. R. students have grown and improved in many ways.

MRS. WAYBRIGHT

We appreciate your friendly dignity in the classes and your cooperative spirit in all activities around school.

Your earnest devotion as secretary has made our school days happy and beneficial.

PRINCIPAL'S MESSAGE

To the class of 1962, I extend congratulations and best wishes for a happy successful life. Your class has made an outstanding record and each one of you can be proud to be a member of this group. Your integrity, co-operation and loyalty have been appreciated.

May the lessons for living that we have tried to install in you here at Middle River be applied to future situations.

Strive hard to achieve great things and may your life be productive and beneficial to society.

"Sweet sweet, memories, smiles, and tears.
You can't beat memories through the years."

CLASS NIGHT

MAY 30 . . 1962

One of the first steps in planning Class Night for May 30, was the writing of scripts. Above, the Creative Writing Class began hard work in creating the program. The theme, "Memories Are Made of This," was decided upon and was carried out in the form of a "Class Reunion." Much talent was displayed and precious memories recalled as this reunion became a reality.

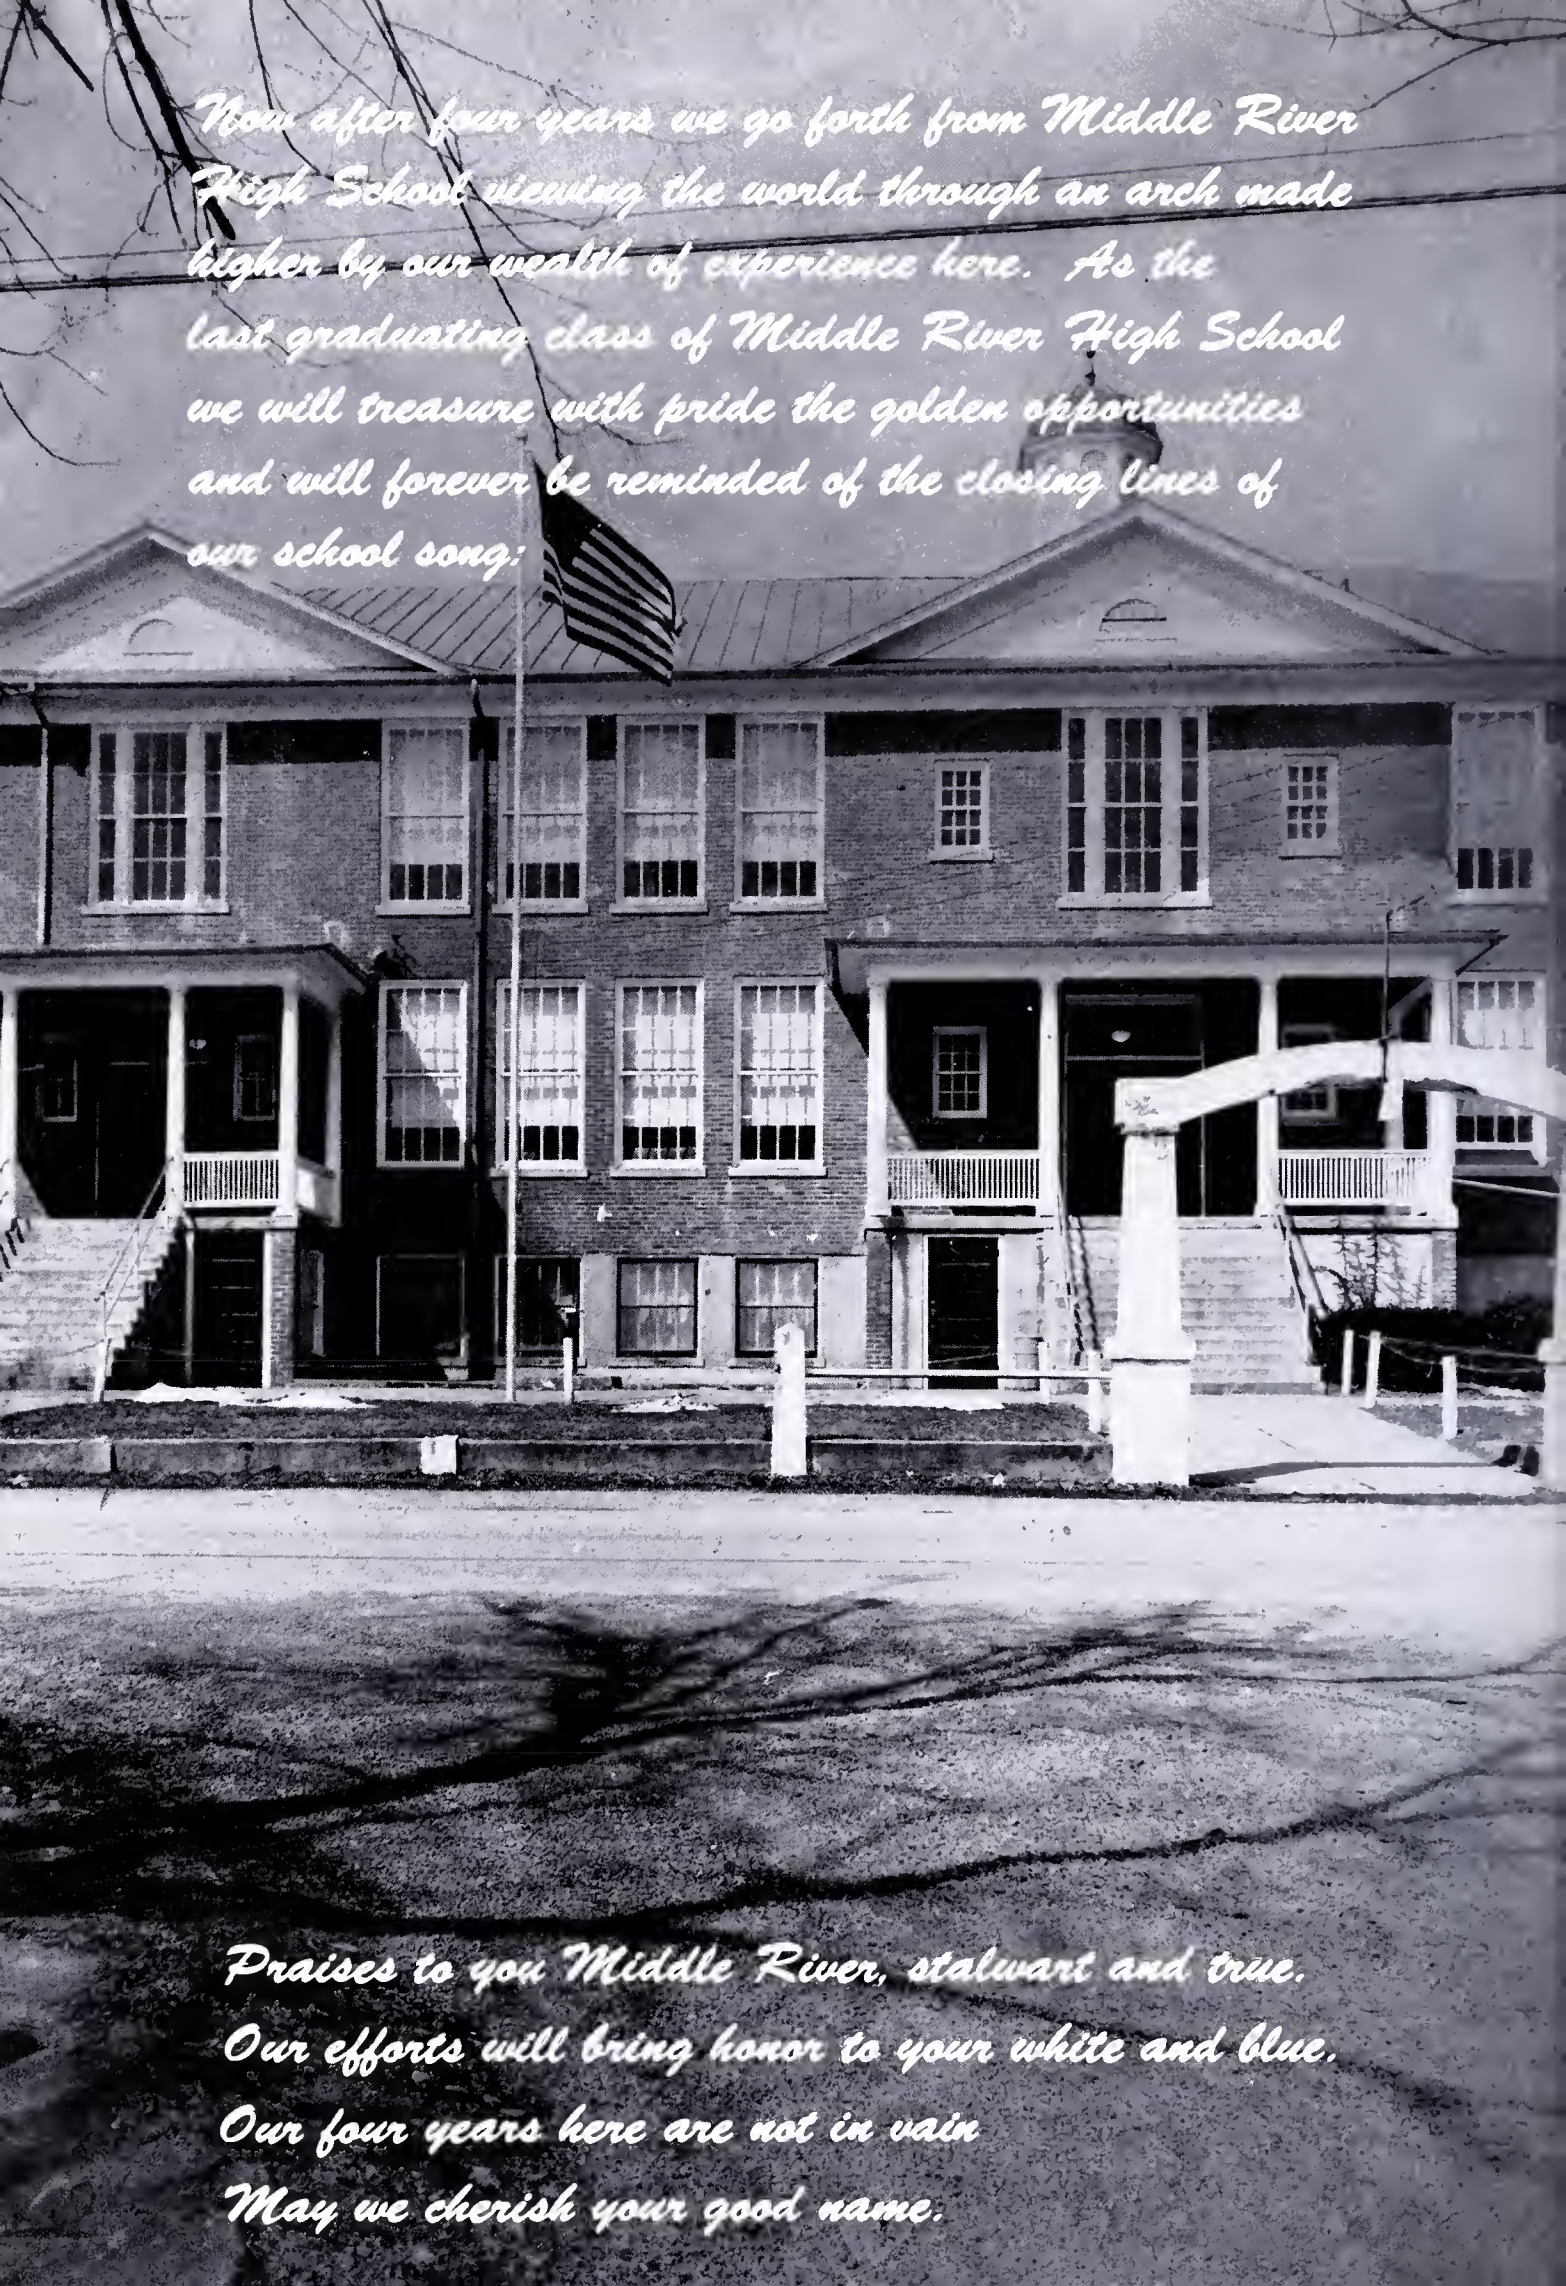
MIDDLE RIVER

Middle River High School has served many years as an institution for learning. But the philosophy of moving onward brings in view the new Northern Augusta High School. Taking over where M.R.H.S. left off - opportunity and advancement is still available. As the last graduating Class, we the Seniors of 1962, hope the underclassmen will cherish the values and opportunities which the new school will provide.

NORTHERN AUGUSTA

TAYLOR PUBLISHING COMPANY
The World's Best Yearbooks Are Taylor made



Now after four years we go forth from Middle River High School viewing the world through an arch made higher by our wealth of experience here. As the last graduating class of Middle River High School we will treasure with pride the golden opportunities and will forever be reminded of the closing lines of our school song:

Praises to you Middle River, stalwart and true.
Our efforts will bring honor to your white and blue.
Our four years here are not in vain
May we cherish your good name.
